Invitation to
Sociothon 2019 - 20

Dear Principal,

Sow the seeds of wisdom and intellect in the minds of youth today, and tomorrow we will reap brains that will metamorph the world, as only bright brains and clear hearts can deal with the intricacies of the future. It is only through the thorough churning of the sea of wisdom that the nectar will emerge that will enlighten the entire world.

*In pursuit of achieving excellence and igniting the spark in the present day youth, by providing them the belvedere to express their concern for society and environment, Delhi Metropolitan Education, a premier educational institute affiliated to Guru Gobind Singh Indraprastha University, New Delhi and approved by Bar Council of India, invites you to **DME Sociothon 2019-20: A CSR Initiative by DME.***

As a socially conscious institution fulfilling its corporate social responsibilities, DME not only grooms its own students but also carries this torch to the younger generations. The efforts include developing professionals who are future ready and are equally concerned about the quality of life and sustainable development.

***DME Sociothon 2019-20**, is a multi-fanged event, comprising of **Envirothon 2019**, **Magathon 2019** and **Cyberthon 2019**, under which the students will be participating in various competitive events, workshop series at DME campus and lecture series in school campus respectively. The details of each programme are attached along with this invitation for your perusal.*

*For any further queries, please contact the program coordinator **Dr Swati Jain, Associate Professor, DME, 9350103847, sociothon@dme.ac.in***

We look forward to your participation for the event which will convert the young brains of today into catalysts of change to make this world a better place and grooming our younger generations to be conscious and aware citizens.

Warm regards,

*Prof. (Dr.) Ravi Kant Swami
Director*
