Even in the tough times of covid-19, when the whole nation was locked inside their homes, the cultural societies of DME has continued to do what we do the best and showed the world that students at DME never stop. Be it in the field of dance, singing, theatre, arts or fashion, students have continued to motivate people to stay at home and work safely towards their passion, keeping up with their mental health.

The members of all the cultural societies have put in great efforts under the guidance of DME Cultural Head, Ms. Navjot Suri and the audience has shown extraordinary response to their hard work.
