Appreciation Letter

Shakti Shalini wishes to put on record its appreciation of genuine efforts of all of you to link Women's Day celebration with apt subject and methods of communication. The performance and their subject was so close to the life of the audience that there was rapt attention. After you left there were comments like "Dil ko chhu gaya", "Bahut achha laga". Solo song, solo dance, group dance, group song and last but not the least street play were so genuine and true to life. Students brought the whole gamut of real life situations alive. Every actor had put in more than 100% which was so obvious. Therefore it created as much impact.

Let us turn this beginning of relationship into a long lasting journey together for the cause of gender equality and eliminating gender and sexual violence. Our joint efforts can certainly bring positivism and change of mind sets among the society. We appreciate Delhi Metropolitan Education coming to Shakti Shalini, there by creating compassion and sensitivity in the youth to prepare them as change agents.

Many thanks to every one of you.

Please pass on the word among your colleagues and students for the 15th and 16th March Celebration of Women's Day at Shakti Shalini. We request to spare your time and join us. You must have received the formal invite.

Warmest regards,

Bharti
