## **Har Ghar Tiranga**

**August 16, 2022**

DME NSS Unit celebrated 'Har Ghar Tiranga' campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

**To mark this momentous occasion, you are encouraged to hoist the flag in your homes and send us a Selfie with Tiranga at [nss@dme.ac.in](mailto:nss@dme.ac.in)**

## Diwali for All

October 19, 2022

NSS Unit and Community Connect Cell, DME organised Diwali for All, at 2.30 pm with Mala smriti home, khora colony, Sector 62 A, Noida. A visit to this place was conducted on October 14, 2022 by Ms.Srishti & myself. They provide daycare and education to 30 children alongwith meals thrice a day. Details can be found on <http://malasmritihome.com/about.php>

We celebrated Diwali with 30 children with a Game session filled with fun and laughter. Around 13 volunteers of community connect will be conducting this game session.

We request 50 refreshments boxes (37 people from NGO + 13 volunteers). (1 bread-pakora, wafers, 1 sandwich, 1 chocolate muffin, 1 juice).

The Community Connect team requests for making a donation and supplying them with ration:

1. Wheat Flour bag - 50 kg
2. Toor Daal - 50 kg
3. Rice - 50 kg
4. Vegetable mustard oil - 25 litre

## Blood Donation Camp

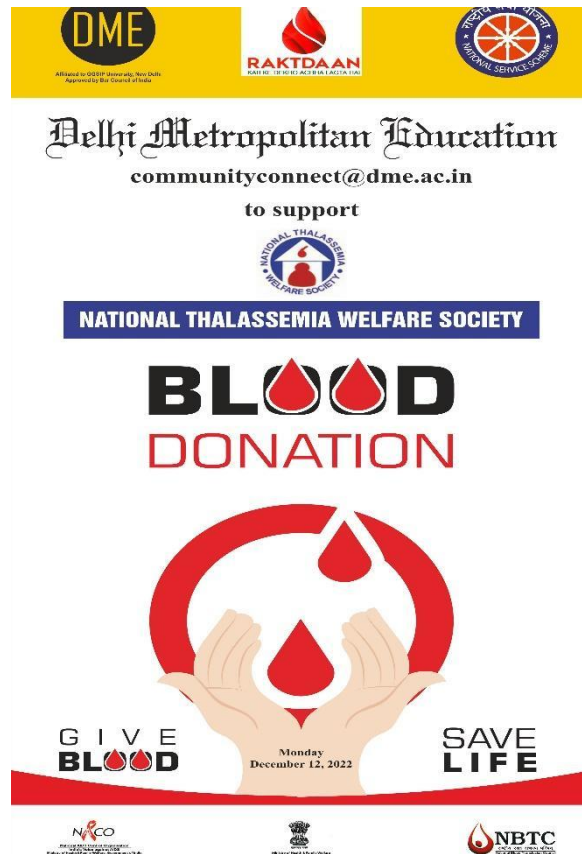

NSS Cell and Community Connect Cell is organized blood donation camp in collaboration with National Thalassemia Welfare Society and Dr. Ram Manohar Lohia Hospital (RML) Blood Bank.

Thalassemia Screening Test samples will be taken of all the Students of age 18-35 years. Thalassemia Test is very important before marriage, newlywed couples and couples with one child whose family is not complete. As it is a genetic blood disorder we can prevent the disease from spreading further by a simple blood test "HbHPLC". Reports of the test will be given within 2 weeks time.

I request all the Faculty Members, Students and Staff to actively participate in this noble cause

Please find enclosed the Dos & Don'ts of blood donation and Posters.

Looking forward to a wonderful blood donation camp. **"Happy Motivation"**.
