The institution demonstrates a distinctive focus on the integration of the Indian Knowledge System (IKS) as a priority, aligning with the National Education Policy (NEP-2020). By embedding the principles of IKS into the curriculum and faculty development programs, it ensures that traditional Indian philosophies and their contemporary relevance are preserved and promoted. The institution organizes workshops, national conferences, and intensive courses to instil values such as emotional intelligence, critical thinking, and leadership inspired by ancient Indian wisdom. Faculty development programs further support this integration, equipping educators with the knowledge and skills to embed IKS within modern pedagogical practices.

Additionally, the institution's initiatives like the Vibrant India Series and collaborations with organizations such as ISKCON and Brahma Kumaris highlight its commitment to sustainability and holistic education. Through the inclusion of IKS in Massive Open Online Courses (MOOCs), 359 students have already benefitted from this innovative academic approach. By fostering interdisciplinary research, cultural awareness, and skill development rooted in IKS, the institution positions itself as a leader in blending traditional wisdom with contemporary educational practices, enhancing both societal impact and academic excellence.
